"The goblin champion's body lies at your feet and then dissolves before your very eyes in to a blackened husk. Laughter can be heard echoing through the corridors. You reach down and grab the Shroud of Stars and as you prepare to stuff it in to your pack, you can hear a weak call for help, it appears to be the voice of a damsel. It is the Shroud that tells you there is truly a trapped damsel in the caverns below this stronghold, she waits in a labyrinth below."

- contains no more than 1 full set of cards from Unbound (1 rare, 2 uncommons, 3 infrequents and 4 commons).
- try to complete "Rescue the Damsel" +1 other Quest.

*Conclusion: The damsel is found, malnourished and weak, but alive. You administer some healing and free her from her prison. Your journey back is a comparatively easy one, upon your return the Gypsies welcome you and reward you for finding their lost treasure, surprisingly enough this was secondary to returning the damsel back to her family whom you know have made you their friends for life.
